References Category:Card game terminology Category:CCGQ: Is it illegal in the United States to destroy a migrating bird? In the United States, the Migratory Bird Treaty Act of 1918 prohibits killing, capturing, possessing, selling, purchasing, offering for sale or purchase, bartering, selling or buying, transporting or shipping, at any place in the United States or in any Territory or Possession of the United States, any migratory bird, in the course of its migrations as a part of such bird's annual cycle, or incidentally in its passing through the territory of any State or in the territory of the District of Columbia. In short, you are supposed to be the good guy here, and let the birds go where they're going. However, since plenty of species of birds don't just fly away, they migrate in flocks. By destroying a whole flock of birds, you arguably disturb the normal annual cycle, and it's probably not even a good thing to let a bird die on your driveway just so you can have a field day mowing in its guts, but in theory you're not allowed to even swat them away. What about
