The answer to your question would be no. mapbox-gl-js source files in your app. Unpublished mapbox-gl-js source files are kept under a separate folder inside your mapbox account. For example, if you have mapbox-gl-js source code files inside your mapbox account, you can access the source code by logging in to and navigating to the mapbox-gl-js folder. If you download your source code files as a zip or tarball, you can navigate to the mapbox-gl-js folder. If you are a paid developer, you can use mapbox-gl-js SDK with your own maps as well as access to publish your own mapbox-gl-js source code. 7. Understand the various licensing options for mapbox-gl-js mapbox-gl-js licensing is a one-time payment to access mapbox-gl-js libraries. mapbox-gl-js licensing can be done in-app, through the web, or directly with a credit card at or In-app, the mapbox-gl-js license is checked once per app launch, not each time the app asks for a map. You will be notified if you do not have the latest version of mapbox-gl-js installed when you request the map for the first time. mapbox-gl-js licensing is not limited to one use per customer, but can be downloaded once and reused across multiple users. If you are a paid developer, mapbox-gl-js licensing allows you to have access to mapbox-gl-js libraries. 8. Annotate your maps with mapbox-gl-js mapbox-gl-js provides an easy way to create and add annotations to your map. Here are examples of how to annotate your map from within the SDK: as free/cheap software, but actually it is quite expensive. ----- xaviershay How does it compare with Xively? ~~~ achompas I don't know anyone who works on the Xively product, but I know folks who work on software similar to what they do. From what I understand, Xively is more Google Analytics for IoT devices. [0] 82157476af
